

Web Portal for Distributors & Their Customers

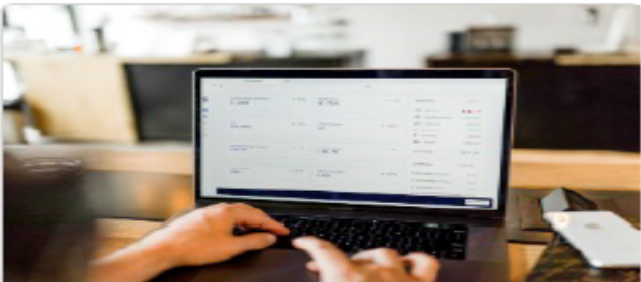

Empower your customers with 24/7 access to their orders, payments, and account details.

Our Web Portal is fully integrated with the MCIT Wholesale/Distribution System.

It gives your customers the ability to:

- Place orders in real time
- View current inventory with their pricing
- Print statements and invoices
- Make ACH or credit card payments
- Track their payment and order history
- Manage their contact and shipping details
